

THE HANDLING TOOLS SOURCE

World Petroleum Supply, Inc. was founded in 1986, with the aim of providing the oil and gas industry with the highest quality handling tools, casing tools, well servicing equipment and the needs of our customers.

Located in Magnolia, Northwest of Houston, Texas, World Petroleum Supply continues to recognize the three greatest needs of contractors:

1. Reliable Equipment
2. Immediate Delivery Time
3. Competitive Pricing

We are fully stocked in new, high quality handling tools, well servicing equipment and spare parts. All of our stock is housed in our two facilities located in Texas. We can service customer orders efficiently and effectively when you need it.

We have, unequivocally, the most responsive, experienced and knowledgeable staff in the industry who will provide you with timely, accurate and competitively priced quotations whenever they are required.
